

WESTREP CA

Serving Southern California for over 50 years

www.westrepca.com

Tel: (714) 527-2822 Fax: (714) 527-3868

www.akm.com

Mixed Signal Integrated Circuits for audio, video, networking & wireless communications. Full range of high quality audio DACs, ADCs, Codecs, SRC, S/PDIF, & Audio DSPs. Hall Effect I/Cs, current and infrared sensors and power management.

www.ams.com

High-performance solutions for environmental, light, CMOS imaging & magnetic position sensors, smart light management, spectral sensing, flow sensing & sensor interfaces, power management and wireless connectivity.

Spectrum Control Products www.apitech.com

Custom applications, Advanced Ceramics, Custom Cable Assemblies, Specialty Connectors, Power Filters, Film Modules, Coaxial Filters & Interconnects.

RF/Microwave www.apitech.com/microwave

RF/microwave, millimeter wave subsystems, components for defense, space, wireless, & commercial applications. Product offerings include: AESA Radar modules, Integrated Microwave assemblies, RF components, microwave filters, frequency sources, low cost high volume SMT amplifiers, MIL-STD 1553 Data Bus, Space Grade Microelectronics, thin film, thick film and build to print manufacturing capabilities. Antennas & Assemblies.

Power Solutions www.power.apitech.com

Power strips, power distribution units, and circuit protection systems for both DC and AC power applications.

www.gigadevice.com

GigaDevice, the leading provider of Non-Volatile Memory (NVM) devices, is a fabless company engaged in advanced memory and related chip design in Mainland China established in 2005. GigaDevice provides a wide range of high speed and low power NOR Flash memory products. Since 2007, GigaDevice has been accredited by SGS ISO9001 and ISO14001.

www.grayhill.com

Intuitive Human Interface Solutions; Mechanical & Optical Encoders; Joysticks; Keypads; Switches: Rotary, Pushbutton, Tact, Toggle, Rocker, Slide & DIP; PCAP Touch Screens; Multi Touch & Custom Interface Solutions.

www.koaspeer.com

Leader in thick, thin film, and current sensing resistors. resistor arrays; thermal sensors, fuses & varistors; power and thin film inductors; ceramic capacitors; three-terminal & ferrite bead EMI/EMC filters; LTCC; and IPDs.

www.kyocera-display.com

Wide range of LCD displays (color graphics, monographic & character). Active matrix TFT LCD panels. Passive LCD displays. Touch Screen Panels. Industrial, automotive, outdoor, appliance, medical & telecom TFT LCDs. Advanced Wide Viewing Technology, LPTS technology, Multiple Touch Screen Solutions. Value Added Solutions and Optical Bonding.

www.microcrystal.com

Quartz Crystals (32kHz to 250 MHz), RTC, Oscillators & OCXOs for high-reliability applications such as mobile phones, computers, automotive, watches, industrial controls, & medical implantable devices; providing in-depth support from design-in to production.

Monolithic Power Systems www.monolithicpower.com

High-performance, integrated power solutions. DC-DC & AC-DC power conversion, Power Modules, Precision Analog, Class-D Audio, Motor Drivers & Position Sensors, Battery Management, E-Fuse & Load Switches.

Passion for Excellence

www.norcomp.net

Standard and custom I/O interconnect products. Marketing high reliability connectors under the brands SEAL-D, M-SERIES Circulars, QUIK-LOQ Push-Pull, MICRO-D, & ARMOR that are used in rugged applications including industrial, military and medical. IP66, IP67 & IP68 available.

OUPIIN

www.oupiin.com

Powerful connection technology is the basis for industrial production technology. Oupiins products combine systems with data, signal and power. These offerings enable solutions for the following markets: automation technology, energy, transportation, broadcasting, engineering, medical technology and infrastructure. High Power (up to 150amp), Power & Signal Edge Card, High Speed (SFP/SFP+, QSFP+), Board to Board, Wire to Board, FFC/FPC, Hard Metric, Future Bus+, DIN 41612, Terminal Blocks, D-Subs, USBs, Pin Headers, Storage Connectors, Custom Cable Assemblies.

www.radianheatsinks.com

Value-added thermal design solutions for the advanced micro-electronics & components industries.

(Renata SA, a subsidiary of Swatch Group) www.renata.com

Coin cells for electronic product areas, including watches, medical technology, RFID, security, handheld products, metering, and many more.

www.sanyo-denki.com

AC & DC Fan, Blower, CPU Coolers, Long Life DC Fans, Thermal Control Fans, Environmental protected fans. Value- Added Services & Fan Accessories.

Sensata Technologies

(Airpax Division) www.sensata.com

Hydraulic-magnetic protectors & circuit breakers, mechanical power switches, silver link fusers, ground fault interrupters & sensing modules, bimetal disc thermostats & battery disconnect units.

InvenSense

www.invensense.com

Provider of MotionTracking™ sensor system on chip (SoC) & Sound solutions for consumer electronics such as smartphones, tablets, wearables, gaming, optical image stabilization & remote controls for Smart TVs.

www.chemi-con.com

Aluminum Electrolytic & Polymer, Multi-layer Ceramic & Film Capacitors, Metal Oxide Varistors.

www.weidmuller.com

Device connectivity expertise & solutions from board & device design to circuit board production & field installation. Wide application-based product line includes PCB terminals & connectors, panel feed-through terminal blocks & electronics housing for industrial applications (emphasis on signal processing & power electronics).
